Privacy Policy

The protection of your privacy is important to Anglo Allied Engineering. This statement discloses the information practices of Anglo Allied Engineering, including what type of data we may collect and hold, how it is used, and with whom the data is shared. It also explains how you can contact us if you have any queries or concerns about your personal information.

This Privacy Statement is applicable to data collected by Anglo Allied Engineering (Pty) Ltd. through the enquiry form on the company website (www.angloallied.co.za), or through the use of our services. The data collected on private individuals is limited to: first name, surname, cellphone number, email address, and gender.

In general, it is possible to access our site without supplying any personal data, except in the case of third-party cookies (Please see the cookies disclaimer on www.angloallied.co.za). In the case where personal information is collected, it will only be used by Anglo Allied Engineering to make contact for business services. Unless required to do so by law, and as set out in this policy, we will not share, sell, or distribute any of the information you provide to us without your consent.

Data Storage and Security

The data may be transferred, stored, and processed inside or outside South Africa and anywhere in the world, but will not be disclosed to anyone outside of Anglo Allied Engineering. We employ security measures to protect your information from access by unauthorised persons and against unlawful processing, accidental loss, destruction and damage. We will retain your information for a reasonable period or for as long as the law requires. This information will be treated in accordance with South African Law.

Your Consent

By submitting your information, you consent to the use of that information as set out in this policy. If we change our privacy policy, we will post the changes on this page, and may place notices on other pages of the website, so that you may be aware of the information we collect and how it is used. Note that continued use of the service will signify that you agree to any such changes.

South African Law

This site is offered, controlled and run from the Republic of South Africa. As such it is governed by South African legislation. You, as an individual, and Anglo Allied Engineering are subject to the non-exclusive jurisdiction of the South African courts.
